To Whom It May Concern,

I would like to recommend Ms. Nuky Irhamna as a candidate for your organization. At Pegasus Tech Ventures, Nuky was employed as Office Manager from July 2018 to December 2020, responsible for general administrative tasks and office management.

During her tenure, Nuky was able to help us rebuild our office and team to be a thriving regional investment center. She was very persistent in finding the best possible solutions for our company needs and was successful in multiple contract negotiations. In general, she was a wonderful team member who was very pleasant to be around at all times. Her management skills were very good, especially in empathizing with fellow colleagues. I am confident she will do well in any industry which she decides to pursue future career opportunities.

Please feel free to reach out to us if you have any further questions.

Yours Sincerely,

Justin Jackson
Southeast Asia Regional Manager
